

# **Weekend Program for School Leaders: Reimagining Education with Transformational Leadership**

Designed for: Principals, School Heads, Academic Directors

Duration: 2 Days | 1 Focus Theme per Day

Goals: Equip school leaders to align with NEP 2020, embrace technology, and build empowered educator communities.

## **Day 1: NEP 2020 & Technology Integration**

*Theme: Rebuilding Schools for a Future-Ready Generation*

Morning Session:

- Understanding NEP 2020 from a Leadership Lens
- Core reforms and their strategic implications for schools
- Mapping NEP outcomes to classroom goals
- 
- The Future Learner: Gen Z & Gen Alpha Needs
- Digital behaviors, learning styles, and mindset shifts

Afternoon Session:

- Integrating Technology in Teaching & School Systems
- Choosing the right tools: LMS, AI, and assessment apps
- Balancing innovation with screen time and well-being
- 
- Creating a NEP-Tech Implementation Plan
- Aligning vision, teacher training, and infrastructure
- Action plan presentation by each participating leader

## **Day 2: Leadership & Capacity Building**

*Theme: From Instructional Leader to Institutional Catalyst*

Morning Session:

- Redefining the Role of the School Head
- Vision-driven academic leadership

- Leading culture change and reflective teaching practices
- 
- Communication & Conflict Resolution
- Effective dialogue with teachers, parents, and management
- Role-play scenarios for real-life challenges

#### Afternoon Workshops:

- Empowering Teachers through Distributed Leadership
- Mentoring models and peer-learning structures
- Recognizing and nurturing potential teacher-leaders
- 
- Designing a 90-Day School Capacity Building Plan
- Collaborative planning for PD, innovation, and wellbeing
- Group showcase and feedback
